VERSE 2

O the goodness of our Father
Sparing not the Son you loved -
He who brought eternal pleasure -
For the guilty given up!
Is it true he hung forsaken
Bearing righteous wrath for us?
Enemies now made your children
Lavished with your perfect love!

VERSE 3

O the love of God our Father
Burns for us with holy zeal!
Jealous for our full devotion
Till your glory is revealed.
May our hearts beat holy passion
Yearning for our home above
Where at last redeemed, adopted
We'll forever know your love
